Summer 2008 Recap

Our first full summer at the new facility went off without a hitch! This is largely due to the dedicated and hard-working students who help make it all possible! So thank you! Thank You!
Thank You!

Our Summer Camps of Dance, Music, and Dramatic Arts had the building filled with high energy and creativity all summer long! All the camps were a hit! The kids exercised their bountiful imaginations by boogying, brainstorming, and basking in the glow of the Performing Arts!

The Ballroom Dance Teen & Adult Program thrived off-site at the *Utica Public Library*. Here's what the Program Developer had to say: "The response to the dance program was so positive that the library is looking forward to another collaboration in 2009!" We're looking forward to it too!

The Hip-Hop and Dramatic Arts Departments held successful workshops with teens from *Kids Oneida* within the Academy. The students learned fresh choreographed dance steps and created their own scenes and characters for a final performance for friends and family!

We are thrilled to be able to offer such a wide range of artistic programming both on and off-site! We couldn't be happier to be so welcomed by the community!
